

# Can you help?

We are now launching a fundraising drive to make *Grandma Gatewood's* story more accessible to groups and individuals. Emma's story has a wide appeal and presentations of the storytelling program, play and film have been held in many venues since each of these programs premiered and have been seen by more than 4,000 people!

Now our goal is to raise a modest **\$5,000** in order to:

1. Pay for closed captioning the documentary for PBS.
2. Provide funds for packaging and mailing the DVD.
2. Pay for staff time to research venues, contact and schedule events, design marketing materials and promote all of the *Grandma Gatewood* programs.
3. Pay for duplication of a the TRAIL MAGIC DVD that will provide a renewable revenue resource for the *Grandma Gatewood* project.

We welcome **any** contribution you can give to keep us on our trail. Every dollar will get us closer to our goal of \$5,000. Your donation will be appreciated and is tax-deductible since Eden Valley Enterprises is a not-for-profit corporation. A form is below or you may donate on-line with a credit card at <http://tinyurl.com/gegdonate>.

OH — did I mention we have some special thank you gifts for your help?

We are also in need of volunteers to help spread the word about this program. If you are able to volunteer some time to help with any type of marketing including social media posting and researching/contacting presentation venues, libraries and resellers of our DVD, please send us an e-mail at [blheve@edenvallejenterprises.org](mailto:blheve@edenvallejenterprises.org)

Be sure to check our website to find out how your purchases at Amazon and GoodShop/GoodSearch can also help us!

Thanks for **all** your support.
